

Ian Sidman

Viral & Growth Marketer

Thousand Oaks, CA 91362

iansidman@gmail.com

+18058073320

Professional Summary

Growth Marketer with expertise in content creation, brand development, and early-stage startup growth. My work has generated 150M shortform views and has built me a personal following of 60k on Tiktok. I have grown 23K followers in 7 days through engineered virality and I have launched multiple ecommerce stores that have hit 4 figures in daily revenue.

My best shortform video produced \$5,000 in sales.

I am very experienced in business strategy, full creative production (ideas, editing, filming, posting, monetization infrastructure), and building communities that convert.

I am currently lifting up marketing initiatives for Ventura County nonprofits.

Willing to relocate: Anywhere

Work Experience

Event Organizer & Marketer

Charity Karaoke-Thousand Oaks, CA

September 2024 to Present

Charity Karaoke is a seasonal karaoke competition where 20 local charities compete in karaoke to raise money for their causes.

I am responsible for building up awareness for the event, increasing donations & ticket sales, and helping organize where I can

- Ideated, edited, filmed, coordinated, and acted in shortform content to promote the event
- Collaborated with local news, business owners, and influencers
- Led creators, filmmakers, and actors to help with content creation
- Filmed and created shortform content during event to promote upcoming years.
- Built relationships with business owners in the area
- Created funnel to convert in person fans to social media followers.
- +100k views & 250 followers in 25 days notice
- Fixed donation funnels & created ability for anyone to donate
- Raised \$94,000 total

Content Creator & Operations Assistant

Hype Ventures-Simi Valley, CA

December 2023 to Present

Hype ventures is a studio focused on creating and marketing viral products with over 1 billion views across all of their products.

I have been involved in doing various tasks for them as needed over the years.

- Lead shortform content strategy for new products
- Helped ship orders, move and setup equipment, organize, and fix broken products

Tons of amazing learning from a company that's crushing it.

My time here has been a gift

Founder

SocialLab-Thousand Oaks, CA

January 2022 to Present

A startup where I worked with various personal brands, nonprofits, and businesses to help them get results with shortform content

- Worked with several creators between 0-1.2M followers
- Filmed videos, edited videos, launched online products & stores, acted, created viral ideas that pulled millions of views.
- Built infrastructure to automatically use AI, agents, and virtual assistants to speed up workflow.
- Built MVP & team of 7 in college to create AI models that enhance virality
- Successfully created 3 viral engines that always hit between 100k-5M views
- 25 million view marketing angle for a friend.
- Launched 2 4 figure daily revenue ecom stores, achieved 9% conversion rate
- Able to get visible results for multiple businesses after one strategy call.

Social Media Manager

Conejo Awards-Thousand Oaks, CA

June 2024 to August 2025

Conejo Awards is a one stop shop for businesses to print custom products, awards, or anything they need.

- Learned the brand and created shortform content that was acceptable to the owner
- Filmed, edited, and posted shortform content for the brand to reach new customers
- Created a series that brought in ~150,000 shortform views monthly

Business Owner

Goofy Garments-Eugene, OR

December 2022 to April 2023

A clothing brand I started out of my college dorm

- Realized there was unmet demand for this and created the brand that was missing
- Built my own website and got 2,500,000 shortform views on Instagram in 2 weeks
- Kept customers engaged with unique social media strategies
- Outsourced production to a manufacturer
- 5,800,000 views, 282,000 shares, 193 new customers from one shortform video
- Over the span of 5 months: 15M views and \$15k in profit.

Content Creator

TikTok-Thousand Oaks, CA

December 2020 to December 2021

A 60,000 follower personal blog where I posted about diabetes, health, fitness, and funny/relatable skits.

- Watched for trends & critiqued my content strategy until I found what worked.
- Learned from my own posting data diabetes related content reached the most viewers.

- Studied what people were watching & came up with multiple series ideas that average from 100k-5M views.
- Accepted a few brand deals here and there, it was hard for me to find products I believed in.
- Gained 9,300,000 Views & 23,200 Followers In Only 7 Days
- Created 3 separate series on my page that consistently averaged from 100k-5M views.
- 30 million views total

Retail Sales

Marshalls-Thousand Oaks, CA

January 2021 to May 2021

Marshalls is a retail store that sells clothing and lifestyle products.

- Handled customer complaints, needs, and returns.
- Maintained cleaning standards during covid
- Rang up customers and upsold Marshalls credit cards
- Labeled, organized, and sorted inventory
- Set up displays for products
- Counted and documented incoming customers, handled suspicious customers
- Created an energetic and fun work environment for customers & employees

Education

Business Administration (College)

University of Oregon-Eugene, OR

August 2023 to June 2024

Currently taking a break

High school diploma

Westlake High School-Westlake Village, CA

August 2018 to June 2022
